

Domestic Pest Control

We offer a comprehensive range of domestic pest control services to suit your needs and hours. We cover the following pests:

- Rodents (Rats and Mice)
- Wasp Nests, Insects and Flies
- Birds
- Other pests & wildlife management

We offer discounted rates for our local area – Greater Belfast, Counties Down and Antrim. Our servicing is carried out discreetly by plain uniformed staff using unmarked vehicles. It is often cheaper to contact a professional straight away rather than trying to deal with a pest problem yourself.

Most customers do not realise that insurance policies do not provide cover for pest damage to property. Therefore it is vital to eradicate the problem immediately – contact us at the first sign of activity.

Commercial & Domestic Pest Control

Why choose us?

PPC Environmental Ltd provides a complete pest control service. We have bases in Belfast (Knock) and Newtownards and have over 20 years experience in the pest control industry. All services are carried out discreetly using unmarked vans. Staff wear plain uniforms and carry photo ID. Our dedicated team are on hand 24/7, 365 days. Our customers include **Commercial, Retail, Industrial, and Domestic** premises.

About us

PPC Environmental Ltd is a member of The British Pest Control Association (BPCA), the leading Pest Control body in the UK. All service staff are qualified to BPCA / RSPH 2, and are PROMPT BASIS CPD scheme registered. The company is CHAS listed (Contractors Health and Safety Assessment Scheme). We carry £10 million public liability insurance.

Our Services

From vermin to flying pests, we have solutions to bring pest problems under control and prevent re-occurrence. Our services cover the following:

- Rodents (Rats and Mice)
- Wasps, Flies & Insects
- Bird control
- Hawk flights, Bird spikes, Bird netting, & Repellents
- Electronic fly killers (EFK) (Sales & maintenance)
- Insect screens
- Stored product insects

Commercial Contracts

Our service contracts provide peace of mind that your premises are being maintained free of pests, and comply with legislative requirements. Pests cause destruction and financial loss to businesses, and can damage reputations. In addition employees expect to work in an environment which is pest free. Our contract services assist by providing the following:

- Regular scheduled inspections and reporting.
- Early detection and treatment.
- Preventive solutions to stop reinfestation.
- Compliance with Food Hygiene, & Health & Safety Regulations.
- Access to 24/7, 365 days call-out facilities.

We service a wide range of customers including:

- Restaurants & Retail Premises
- Food Production Premises
- Warehouses & Factories
- Care Homes, Hospitals & Schools
- Offices & Apartment Blocks
- Tailored solutions for Estate Agents, Property Management Companies & Landlords

Our reports help comply with the Food Safety Act, audits including BRC and Environmental Health legislation. Method statements and risk assessments are completed.

Electronic Fly Killers (EFK)

Electronic fly killers are an effective way of controlling and killing flies in your premises.

We are one of the largest suppliers of electronic fly killer machines in the province, at very competitive prices. We supply and install quality equipment and provide a comprehensive backup maintenance service.

A full range of stainless steel or white finish units in various sizes to suit. All units carry a 5 year warranty.

Heavy duty chain screen doors, fly screen doors and windows made to measure.
